

ABOLICAO OXFORD KIDS' CAPOEIRA GROUP

POLICIES and GUIDELINES 2020/2021

Use of Physical Intervention

In order to facilitate movement and to avoid injuries, instructors may need to use physical contact to ensure safe practice. However, due to CV19, socially distancing will be maintained and guidance will be given verbally

If a child is injured and needs First Aid, the designated First Aider will administer treatment in accordance with CV19 guidance

Online Safety & Info Sharing

During the CV19 pandemic, the classes will be a hybrid of live/virtual platforms. Zoom will be used for those wishing to train at home. Parents are responsible for online safety within their own home. Abolicao Oxford Kids' Capoeira Group will maintain privacy for students at home and will incorporate the child into the class.

Facebook and WhatsApp are the social media platforms we use and information will be shared. The groups are private and not accessible to the general public. Permission will be only giving via group administrators.

GDPR - personal contact details /information will not be shared outside of the group

Image Use

Image use will only be for promotional purposes/sharing for the group

We will only share images of the group with permission from parents/carers. Please complete our form if you agree to allow us to promote the group/share images.

If you do not want your child's photograph /image to be used on our website/social media platforms, please indicate accordingly.

H&S /Covid 19 - please see our separate policy for this

First Aid/Accidents: these will be recorded and First Aid will be administered in accordance with the CV19 POLICY

A risk assessment of the environment will be carried out on a regular basis (before each class)
